RREC Annual Continental Rally

9 - 15 September 2018

Rally Gelderland, Holland

From dark medieval settings of the 2017 Continental Rally, to a modern, spacious comfortable hotel, with luxurious rooms (40m²), with gourmet food! Join us for this years Continental Rally in the area of Gelderland, Holland!

One of the Van der Valks fantastic hotels (www.hotelduiven-arnhem.nl) will be our base for the rally days, situated near Arnhem, in Duiven (on the A12). Easy access, close to communications, and nice drives around the lovely Gelderland area!

As for the programme:

We drive along country roads that takes us to The Kröller-Möller Museum, with the largest private collection of Van Gogh and many other famous painters and one of Europes largest sculpture gardens! Free bikes for exploring the park Hoge Veluwe (for those who would like a challenge!?)

We visit the Airborne Museum Hartenstein with moving historical experiences!

A visit to a former chicken farm(!), now the Classic Car Park, in Boxtel, huge and full of exclusive and classic cars, not to forget to mention a visit to an amazing private collection in Arnhem of over 150 cars, 50% of which are Rolls-Royce and Bentley. This museum is not open to public viewing, but by appointment only.

Lunches from all above will follow in superb surroundings!

One of the evenings will be a "guest-evening" when members of the Dutch section will join us for a mingle and dinner.

You will also have a free day to explore on your own.

Welcome - see you there! Zie je daar!

Derek & Mona-Lisa
