THE INTERNATIONAL CLUB FOR
**ROLLS-ROYCE
& BENTLEY**
ENTHUSIASTS

Our Technical Seminars continue to provide what is probably the Club's most valuable service. All instructors are top class specialists and give their services free of charge. Over 5000 Club members have taken part in these rewarding weekends. You will learn more about your car in two intensive days than you would think possible. The goodwill and exchange of information is a key feature. If you can bring your Club car it is a bonus, but it is by no means obligatory. Details of local accommodation will be sent out with booking confirmation.
